TUBE 10W

Article code	Dimensions	IP	Colour	Input	Angle	Lumin	CRI	Temperature	Dimmable	Price
L25.48V TUBE 10W	Ø55x120 mm	IP20	3000 K	DC 48V	24°	> 800lm	> 90Ra	-20°C ~ +50°C	DALI 2	160,00

- * The lamps can be easily installed and taken down from the 48V magnetic track.
- * The lamps can be tiltable from 0 to 90°.
- * High quality extrusion aluminum materials, Black and white are standard.
- * Selection of dimming drivers including 1-10V and DALI dimmable.
- * Single and double options, meet the dynamic lighting environment to any directions.

TUBE 18W

Article code	Dimensions	IP	Colour	Input	Angle	Lumin	CRI	Temperature	Dimmable	Price
L25.48V TUBE 18W	Ø55x170 mm	IP20	3000 K	DC 48V	24°	> 1400lm	> 90Ra	-20°C ~ +50°C	DALI 2	168,00

- * The lamps can be easily installed and taken down from the 48V magnetic track.
- * The lamps can be tiltable from 0 to 90°.
- * High quality extrusion aluminum materials, Black and white are standard.
- * Selection of dimming drivers including 1-10V and DALI dimmable.
- * Single and double options, meet the dynamic lighting environment to any directions.

TUBE 2x10W

Article code	Dimensions	IP	Colour	Input	Angle	Lumin	CRI	Temperature	Dimmable	Price
L25.48V TUBE 2x10	Ø55x120 mm	IP20	3000 K	DC 48V	24°	> 1600lm	> 90Ra	-20°C ~ +50°C	DALI 2	200,00

- * The lamps can be easily installed and taken down from the 48V magnetic track.
- * The lamps can be tiltable from 0 to 90°.
- * High quality extrusion aluminum materials, Black and white are standard.
- * Selection of dimming drivers including 1-10V and DALI dimmable.
- * Single and double options, meet the dynamic lighting environment to any directions.

LINEAR LENS

Article code	Dimensions	IP	Colour	Input	Angle	Lumin	CRI	Temperature	Dimmable	Price
L25.48V LINEAR LENS	244x22x44mm	IP20	3000 K	DC 48V	120°	> 800lm	> 80Ra	-20°C ~ +50°C	DALI 2	136,00

- * The lamps can be easily installed and taken down from the 48V magnetic track.
- * High quality extrusion aluminum materials, Black and white are standard.
- * Selection of dimming drivers including 1-10V and DALI dimmable.

LINEAR OPAL

Article code	Dimensions	IP	Colour	Input	Angle	Lumin	CRI	Temperature	Dimmable	Price
L25.48V LINEAR OPAL	244x22x44mm	IP20	3000 K	DC 48V	120°	> 800lm	> 80Ra	-20°C ~ +50°C	DALI 2	136,00

- * The lamps can be easily installed and taken down from the 48V magnetic track.
- * High quality extrusion aluminum materials, Black and white are standard.
- * Selection of dimming drivers including 1-10V and DALI dimmable.
